

ENROLLMENT PROCEDURE

FOR MASTER'S DEGREE AND PHD PROGRAMS

Applicants who are placed to study in the graduate programs of our University with their own means are required to apply to the specified unit for enrolment in person.

Documents required for final registration:

1. 4 photos
2. Turkish translation of the Passport approved by Turkish notaries with a copy added. *
3. Written contract (to be filled in during registration)
4. Turkish translations of the postgraduate and graduate diplomas approved by Turkish notaries with a copy added *
5. Certificate of Equivalence or Recognition for Diploma/diplomas **
6. Copy of residence permit card. (*After registration at our Directorate, all foreign students coming to Turkey for the first time with or without a scholarship can apply for residence permit to our Directorate or to Izmir Provincial Directorate of Migration Management. The others (short time, exchange students, visitors, guest students, researchers or research assistants) should apply to Izmir Provincial Directorate of Migration Management directly. Students should acquire their residence permit in one-month period following their arrival.*)

***Foreign applicants can have their Turkish translations at Turkish consulates in their own countries.**

**** For foreign students;**

- **Certificate of equivalence of diploma/diplomas for those who will do undergraduate/graduate studies in the field of health sciences,**
- Certificate of recognition for programs other than the field of health sciences,**

-For Turkish citizens, those who complete their education in a graduate program abroad recognized by the YÖK (Council of Higher Education) Certificate of equivalence of diploma is required regardless of the program.
